Re: FOIA Request for Complete Registration File
Company: SD Labs
Product Name: DTN 100 Antimicrobial
EPA Reg. No.: 88423-1

To Whom It May Concern,

Technology Sciences Group, on behalf of SD Labs, is submitting this FOIA Request to obtain a copy of the entire file for the product - DTN 100 Antimicrobial (EPA Reg. No.: 88423-1) on record at U.S. Environmental Protection Agency (EPA). A copy of the SD Labs letter of authorization to have TSG serve as their agent is attached.

The registration documents including the application forms and supporting information for the aforementioned product was submitted to EPA by a previous agent of SD Labs. SD Lab does not have copies of all documents submitted by their previous consultant and does not believe they have a complete record of this registration. Therefore, we are requesting a copy of the entire file registration jacket for the product identified above to be sent to the current agent for SD Labs, Technology Sciences Group, Inc., 1150 18th Street, NW, Suite 1000, Washington, DC 20036.

Technology Sciences Group, on behalf of SD Labs, understands that commercial requesters may be charged fees for searching for records, reviewing the records, and photocopying them; and therefore is submitting this FOIA fee approval and agrees to pay search costs up to \$500. Please contact me should the estimated costs run in excess of the \$500 cap.

Please do not hesitate to contact me with any questions via phone (202) 828-8966 or e-mail:
etesch@tsgusa.com.

Sincerely,

A handwritten signature in black ink, reading "Erin M. Tesch". The signature is written in a cursive, flowing style.
